PROGRAMME HIGHLIGHTS

- Understand the latest insights on terrorism & homeland security
- Explore the most relevant topics in today's security climate
- Obtain strategic knowledge to counter the threat of terrorism

WHO IS THIS COURSE SUITABLE FOR?

Security Officers, Security Team Leaders, Supervisors, Teachers, Executives, Head of Departments, Managers, Directors and Senior Directors and even CEOs. This course is also suitable for members of the public with non-security background.

This course provides security practitioners and relevant safety and security personnel in any organisation with a good understanding of counter terrorism intricacies and operations. With the rising threat faced globally by terrorist organisations, it is essential for a course to provide a zoom-in perspective on the issues that has plagued the world since the 'Sep 11' incident.

This course intends to graduate its learners with a value added analytical skill set that will benefit both the security industry and national security apparatus when it comes to combatting terrorism locally, regionally, and globally.

This course is specially crafted as an easy to comprehend 'handbook' on counter terrorism. The strategies learned during this course will be a value-add to any individual who is passionate in safeguarding best interests.

PROGRAMME OBJECTIVES

At the end of the course, participants are able to:

- Understand the current threat of terrorism, in-depth;
- Appreciate the importance of national security and the apparatus that keeps a country secure;
- Differentiate between terrorist organisations and criminal enterprises;
- Identify radicalised and extremist behaviour, which is a critical skill set in today's threat landscape; and
- Craft appropriate responses to a crisis situation and identify a proper reporting chain of command.
