Dear Students/Parents/Guardians

SYNCHRONOUS HOME-BASED LEARNING

In line with the tightening of community safe management measures announced by the multi-ministry taskforce on Friday, 24 September 2021 to slow down the community transmissions and allow for better stability, SSTC is implementing synchronous home-based learning for all our full-time courses with effect from **Thursday, 30 September 2021** until **Friday, 22 October 2021**. We will continue to monitor the situation and will provide further announcements as we move forward.

Please refer to the Code of Conduct for Students who are studying from home to ensure the smooth conduct of the classes daily.

During this period, we urge all students to minimise their movement and social interactions so that we can reduce footfall at common spaces and in public areas, including public transport. If you are unwell, please see a doctor and get tested.

Also, please refer to our website at www.sstc.edu.sg for the latest updates on COVID-19 related matters at SSTC Institute.

Should you require any clarifications, feel free to contact us at +65 6235 5685.

Thank you for your understanding and co-operation. Stay safe.

Yours sincerely
